

Due to the decision of the DSMB
Eurolegend Cup he will not be able to race at the Oschersleben Motorsport Arena

DSMB, Deutscher Motor Sport Bund, decides that
the *Legend Cars* are not approved to race on German racetracks, so with regret we
inform you of the cancellation of the date for the **EuroLegend Cup**.

With much regret, **EuroLegend Cup** finds itself forced to give up the date at the
Motorsport Arena in Oschersleben on 23 and 24 September, as DSMB has not given
approval to the Legend Cars to race on German circuits.

GP2EMME has already started the process for the recognition of the Legend's in
Germany, but unfortunately the timing has decreed the jump of the date for this first
EuroLegend Cup season. The drivers regret this missed opportunity, but the experience
in the **EuroLegend Cup** has always given great satisfaction and fun and they are already
ready and very fierce to face the next appointment.

The general standings see Alberto Naska first, just 4 points more than Davide
Gaggianesi second; Simone Giussani in third has a gap of 12 points and Rosario Messina
in fourth has a gap of 22: so nothing is decided, the beauty of the **EuroLegend Cup**!
